How to Use This Index

This index represents a topical categorization of all Case Developments, Advance Sheet Highlights, articles, columns, and Federal Register Highlights that have been reported in the Clearinghouse Review during its 21st volume year, May 1987 through April 1988.

The Casetable lists all cases reported in either the Case Developments or Advance Sheet Highlights sections of the Review in alphabetical order. For each case, the following information is provided: the Clearinghouse Number, in brackets; the Accession Number(s), in numerical order; any case citations or date of decision, reported with the most recent citation last; and the page number(s) of the Review on which the case appears. The Topical Index classifies all cases reported in the Case Developments and Advance Sheet Highlights sections of the Review. Most headings contain see and see also references directing readers to other major subject headings for information on that topic. Within each major heading, the cases listed are divided into subtopics, often spanning two or more levels of categories representing the most specific issues covered by that case. Users are advised to search the categorical sections, and then to refer to the Casetable for more detailed information.

The Articles and Columns sections of this index list articles and columns published in the Review by author name and by topic. The Federal Register Highlights section lists items under major headings only. Items are listed alphabetically within each category and include the page numbers on which the items appear. For comprehensive research, readers are advised to use this index in conjunction with the Cumulative Index to volumes 1-17 Clearinghouse Review and the Annual Indexes to volumes 18, 19, and 20.

How to Obtain Pleadings/Decisions (See Back Cover or Order Form)

Acknowledgements

The Clearinghouse is pleased to publish the Annual Index to Volume 21. Readers are reminded to use this Index in conjunction with the Cumulative Index to Volumes 1-17, the Annual Indexes to Volumes 18, 19, and 20, and the LSC Data Base maintained on the Westlaw computer system for comprehensive research into Clearinghouse case files. In addition, please feel free to call for library assistance and/or to request a free Electronic File Room (EFR) search of the Clearinghouse internal computer system.

Cases in Volume 21 are all online and searchable at the Clearinghouse. To request an EFR search, use the toll-free numbers (1-800-621-3256; within Illinois call collect 1-312-939-3834). Please specify that you are requesting a free search, since the toll-free numbers are also used for Westlaw and Dialog requests, which are not free, and for document orders. You will receive a copy of the abstracts retrieved, and copies of the documents clearly on point. (Non-LSC-funded programs must pay the usual photocopying and postage charges for documents described on the order form in this Index—see the inside back cover.)

Editorial work on the Index is done at the Clearinghouse and is a year-round project. Much of the work on the Volume 21 Index was done by Michelle Nicolet before she was promoted to Legal Editor. Work on Volume 21 was completed by the current index editor, John Blaser, who also does copy editing for the *Review* and other Clearinghouse publications. Special thanks are due to Michelle for her determination and patience in making this project work on the Clearinghouse's new desktop publishing equipment and Ventura software.

Thanks are also due to secretary Pat Gordon, for typing index entries into the Clearinghouse computer; to law clerk Mary Petruchius, for editorial assistance and final cleanup; and to Anne Forbes Wangman for production assistance and cover design. We also appreciate the efforts of the rest of the Clearinghouse staff who made suggestions and helped in other ways.

John Blaser has already begun work on the Volume 22 Index. We view our annual indexes as crucial to your legal research, and they make all of the monthly issues more useful. If you have suggestions and comments on ways to improve the Index, please write or call.

Assistant Director

ACCESSING THE LSC DATA BASE

The LSC Data Base has restricted availability, which means that only designated persons from LSC-funded programs who have access to LEXIS or WESTLAW have the LSC Data Base available to them.

There are two ways to access the LSC Data Base. One is to have in-house LEXIS or WESTLAW capabilities and the necessary authorizations to gain access. The second is to call your regional CALR project (listed below) and tell them the issue you are interested in. They will send you a printout of the results of their search.

Private attorneys who participate in an LSC-sponsored private bar involvement project should contact their sponsoring program regarding LSC Data Base availability.

Free EFR Searches—Available Only from the Clearinghouse

The EFR ("Electronic File Room") is a software package that resides on the Clearinghouse's in-house computer system. The EFR searches through abstracts of documents that the Clearinghouse generates in-house.

To request an EFR search, use the toll-free numbers (1-800-621-3256; within Illinois call collect 1-312-939-3834.)

Please specify that you are requesting a free EFR search.

CASETABLE

This is an alphabetical listing by case name of cases that have appeared in the Clearinghouse Review for the period covered by this index. The five-digit bracketed numbers are the Clearinghouse Numbers and must accompany all document reprint requests. The seven-digit numbers are the Accession Numbers (Acc.No.), identifying codes for materials in the LSC Data Base and in the Clearinghouse microfiche library. A case may have more than one Accession Number; new numbers are assigned to a case as new pleadings become available to the Clearinghouse. The LSC Data Base is available to legal services attorneys only. The Clearinghouse microfiche file is now available to non-LSC-funded attorneys; for more information contact Bob Serafin at the Clearinghouse. Official citations to cases listed in the Casetable are current as of mid-July 1988.

HOW TO USE CLEARINGHOUSE SERVICES

All of the items in the Case Developments section of the *Clearinghouse Review* are available to non-LSC funded subscribers for a nominal copying and mailing charge. All you have to do is fill out the order form below, giving the number, letter and title of the item that you want.

Many of the articles and case developments that appear in the *Review* are sent to us by persons in legal services offices who wish to share their work with the rest of the community. We strongly urge readers to send us all case developments of significance. We also encourage people to submit articles for possible publication. Articles should discuss

topics of relevance to legal services. We are oriented toward publication of "how-to" articles which will help other legal services attorneys and legal workers in the day-to-day practice of law. Article submissions should be typewritten, double-spaced, with footnotes also double-spaced and placed at the end of the article.

WE ARE INTERESTED IN YOUR COMMENTS, suggestions and/or criticisms of all aspects of the work of the Clearinghouse. Please direct comments to Director, National Clearinghouse for Legal Services, Inc., 407 S. Dearborn, Suite 400, Chicago, IL 60605, (312) 939-3830.
